## **2 .Brief Description of Paramparagat Krishi Vikas Yojna (PKVY)**

### **2.1Background**

Organic Farming is the agricultural system which aims at cultivation of land in such a way so that the soil is kept dynamic with living activities and in a good health, at the same time keeping the environment clear, maintaining the ecological balance, and providing stability to the production level without polluting soil, water and air. In this method the use of chemicals is kept at its minimum i.e., to the level of base necessity. This method is self-sufficient and self-dependent with the best use of natural resources & biodiversity. In fact, it is the means to achieve the sustainable target of Production and Productivity, Project Coordination Unit, UPDASP is implementing Organic Farming under Paramparagat Krishi Vikas Yojna (PKVY)/ Namami Gange Yojna.

In this regard, Expression of Interest (EoI) is invited for empanelment of already enlisted Regional Council & Support Agency on PGS-India portal for successful implementation of organic farming project under centrally and state sponsored organic farming scheme. Paramparagat Krishi Vikas/Namami Gange Yojna

### **2.2 Objective**

Production of agricultural products free from chemicals and pesticides residues by adopting eco-friendly low-cost technologies under PKVY/Namami Gange through adoption of

Organic village by cluster approach and PGS certification is the objective of this scheme. Thus, EoI is invited for 870 Clusters (17400 Ha Area) under PKVY/Namami Gange scheme in 11 districts.
